Dear Parent/Guardian,

May and June will be exciting months in DiscoveryLand as we celebrate families. Before celebrating Mothers' & Fathers' Day, our children will start by learning about God's idea of family.

In the midst of this, our children will also learn about the significance of Pentecost and enter into our Worship Series, *Audience of One*. We will conclude with *Bible Mania*, a fun-filled time of reinforcing all that was learned from April to June.

May 5 & 6	God's Idea of Family!
May 12 & 13	Mothers' Day Special! <i>Remind your child to bring craft materials (e.g., stickers, stamps), crayons, and coloring pencils.</i>
May 19 & 20	Significance of Pentecost!
May 26 & 27 June 2 & 3 June 9 & 10	Audience of One!
June 16 & 17	Fathers' Day Special! <i>Remind your child to bring craft materials (e.g., stickers, stamps), crayons, and coloring pencils.</i>
June 23 & 24	Bible Mania & Gift Shop! <i>Remind your child to be ready for the lessons reviews. Make sure they bring their DiscoveryLand Points to exchange for gifts!</i>

In this year of going *Back to Basics*, commit to growing in the Lord together in regular times of family devotion. Come together frequently to worship God in spirit and in truth. We are praying for you and your children to have incredible God-encounter moments in the days to come.

In partnership with you,
