

Apr 8 & 9 2017

Dear Parent/Guardian,

As children encounter challenges and set-backs, they find themselves questioning their self-worth and wondering if they are good enough for God to love them. From mid-April to June, DiscoveryLand will help your child understand how much he/she means to God through the series "One and Only."

In the midst of this new series, they will also have opportunities to honor and appreciate their parents through the Mother's and Father's Day events.

*“What is mankind that You are mindful of them, human beings that You care for them?
You have made them a little lower than the angels and crowned them with glory and honor.
You made them rulers over the works of Your hands; You put everything under their feet.”*

– Psalm 8:4-6

God, the creator of the universe, chose to use you and I for His plans and purposes. He created each of us with specific gifts and talents, enabling us to go from victory to victory and breakthrough to breakthrough.

As a family, repeat these truths during family time. Pray that your children will be enveloped by the understanding of how much they mean to God, remembering that nothing can separate them from their loving Heavenly Father.

May His everlasting love always be present in you and your household.

In partnership with you,
